

WIPPELL'S

CLERICAL SHIRTS

It has always been our policy to bring to the market place the very best of products and the outstanding success of our recent shirt and blouse promotions confirms that our customers not only appreciate the diversity of styles and materials that we offer but agree with the central concept of supplying the very best at keenly competitive prices.

The support we have received has encouraged us to further extend an already wide choice of designs resulting in what is undoubtedly the finest collection of clerical shirts and blouses available.

The addition of new and exciting pure cotton fabrics to our existing range of materials is not only worthy of particular attention but indicates that whatever is needed we are pleased to supply and to supply in a quality that is, simply – the best.

W909 This short sleeve button through blouse is illustrated in pink poly cotton from our Standard range and features a tunnel neck with attractive gathering to front and back and to sleeve tops. The sleeves include double stitched inverted pleats. Available in all colours and in Custom format.

900A The classic fly fronted neck-band style worn with full collar is illustrated in the short sleeve style using our Standard grey polyester and cotton. Featuring a left pocket, also available in Custom fabrics.

902A This short sleeve tunnel neck shirt is illustrated in our cotton rich pale blue Oxford cloth. Complete with collar insert and left pocket, available in both Standard and Custom formats.
